Subject: H1N1 Immunization Campaign

The Ontario Ministry of Health and Long Term Care (MOHLTC) has released their implementation package for H1N1 immunization. We have included all of the documents that are relevant to H1N1 immunization in First Nations Communities. You can begin to vaccinate as soon as you have read all these documents carefully and vaccine is available in your community.

The following documents should accompany this memo:

Information Management:

1. Instructions for inserting information sections into your H1N1 Influenza Immunization Campaign Toolkit for easy future reference

Roll-out of the H1N1 Immunization Campaign:

2. Letter from the Community Medicine Specialist and Regional Immunization Coordinator regarding the 'Pandemic Influenza H1N1-2009 Immunization Program-Implementation Package.
3. Ontario H1N1-2009 Influenza Fact Sheet
4. Ontario H1N1-2009 Influenza Virus Q & As

Vaccine Information:

5. FNIH H1N1 Vaccine Fact Sheet (for distribution with the consent form)
6. Arepanrix product leaflet
7. Arepanrix Reconstitution Recommendations

Consent & Data Collection:

8. H1N1 Immunization Data Collection Memo
9. H1N1 Influenza Immunization Consent Form 2009/2010
10. H1N1 Vaccine Wastage Report form

If you have any questions the H1N1 immunization campaign, please call the FNIH Ontario Immunization Support Line at 1-866-297-3577 or email immunization-fnih-ontario@hc-sc.gc.ca.

Sincerely,
Dr. Zeenat Patel
